

CoverJock - Request new broadcasts

Would you like to know how to request new broadcasts. We will explain to you in three easy steps.

What are Broadcasts & Promo Trailers

1 A broadcast play on top the current music being played.

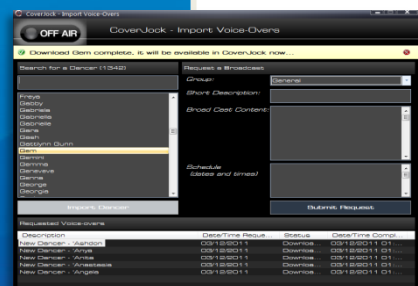

A promo trailer is inserted into the playlist with backing music, similar to a radio advert.

Requesting Broadcasts & Promo Trailers

2 On the first screen select CoverJock then click Import Voice-Overs.

From the CoverJock main screen click Request Broadcast at the top of the live playlist.

Request Broadcast/Promo Trailer

1. Choose Group for the request to go in.
2. Enter a short description i.e. 241 Buds
3. Enter Content; basically what you would like our DJ to say.
4. Type up when it is to be scheduled to play i.e. Every Monday between 9pm-1am.
5. Click Submit Request.
